

A Great Opportunity for Our Business Associates to Partner with the Orange County Chapter of RIMS

OCRIMS created the Executive Sponsor Partner (ESP) program to support the Chapter in fulfilling its mission through its many worthwhile endeavors throughout the year: “Advancing education, communication and professionalism in the risk management community”.

We strive to keep the Chapter membership dues, monthly meeting charges, annual Chapter conference and education event registration fees and golf tournament player/sponsorship fees affordable to maximize access for our members, sponsor partners and the entire risk management and insurance community. The annual financial support committed to the Chapter under this program enables us to:

- Fund recruiting programs to reach out to non-member risk managers in the Orange County area and build our membership base. We welcome our sponsor partners’ support in identifying potential members and bringing new ideas and perspectives to the Chapter.
- Develop and promote community outreach to assist those in need.
- Plan and promote programs and projects to enhance the value of RIMS membership.

The Chapter has established a special designation for each level of participation:

\$7,500	●	Platinum
\$5,000	●	Gold
\$2,500	●	Silver

The attached exhibit illustrates the benefits included at each level of participation. Fees are billed annually in November, and are due in January for the calendar year.

We are pleased to extend this partnership opportunity to our valued business partners, and thank you in advance for your consideration of this exceptional program. We look forward to your continued collaboration with the Chapter as we support our membership and the overall risk management community. If you have any questions, thoughts or comments about this exciting program and opportunities for partnership, please call or email:
