

President's Message

by Gordon Adams

It's hard to believe a month has come and gone since my last message, and unlike last month, I have a number of subjects upon which to speak. Hopefully, you were able to participate in the Annual Golf Tournament because

it was a wonderful event. Yes, it was hot, but the course was beautiful, played well, and cooling adult beverages were in good supply. The food was tasty, and our raffle was well stocked with enticing prizes. The morning educational sessions were well-attended, and a good number of CSUF students volunteered and attended. Remarks were extremely positive, and we've been encouraged to continue the education sessions at future tourneys.

I'd like to take this opportunity to thank the Golf Committee for their remarkable work, our Executive sponsors (Willis, Marsh & Aon) for their continued support, our tireless volunteers, our hole and raffle supporters, and Dr. Lu for reaching out to students despite school not being in session.

The August Chapter meeting was a joint event with CPCU, and a presentation on Cyber Insurance by a panel of professionals provided by OCRIMS Executive Sponsors was well-attended and well-received. Cyber threats and losses are becoming more and more pervasive, and the presentation laid out the history of cover, policy detail, and claim requirements and presentation. I personally learned a lot from the panel, and a preliminary review of speaker evaluations finds the audience also appreciative.

Please note the Chapter will be participating in the annual California Coastal Cleanup on Saturday, September 15th, and volunteers are sought to participate. This is an event that truly benefits us all, as clean coasts and water are universal needs. Please refer to the Newsletter article on this event for further details and the sign-up link. Let's turn out a good group, perform a civic function, and enjoy some beach time with our families, friends, and chapter mates.

Please remember schools are re-opening, and children will be on our streets. Keep your eyes open, drive defensively, and stay off your phone. I'm sure nobody wants to hit or injure a child.

Enjoy the rest of your summer.

Sincerely, Gordon Adams

TUESDAY, SEPTEMBER 11TH:

OCRIMS MONTHLY LUNCH MEETING

2017 HURRICANES: WHEN THE WIND BLOWS AND WATER FLOWS

See details on the following pages

Tuesday, September 11, 2018
OCRIMS Monthly Lunch Meeting

2017 HURRICANES: WHEN THE WIND BLOWS AND WATER FLOWS

Speakers: Presenters will be from FM Global, OCRIMS Golf Classic Title Sponsor
Time: 11:30 a.m. – Social Gathering/Reception Noon – Lunch 12:40 p.m. – Program 1:30 p.m. – Adjourn
Where: Orange Hill Restaurant, 6410 E. Chapman in Orange
Cost: \$25 for members, \$50 for nonmembers with reservation by 4:00 p.m. on Thurs., Sept. 6th
\$10 for students with a valid identification
\$50 for late reservations/walk-ins. (Walk-ins are not guaranteed a meal.)

Online registration is now available for Chapter events!

Click the following link to go to the registration page, where you can enter your contact information and select the payment method.

Want to go to the head of the line? Pay online, and bring your receipt.

<http://events.constantcontact.com/register/event?llr=kpbplmeab&oeidk=a07efmlatv74387e789>

Note: OCRIMS will send a follow-up email regarding registration to addresses pulled from the RIMS Message Center database, and your contact preferences must be set to “Yes” in the database to receive the announcement via email. If you’ve received this newsletter by direct email, you probably have your contact preferences set to “Yes” in the database, but if you want to make sure, follow the simple steps outlined under “OCRIMS Database Management System,” as indicated on the next to last page of the newsletter. Contact Zareen Morrison at (714)376-3756 with any questions regarding the registration process.

OCRIMS is excited about the September meeting, which will be presented by the OCRIMS Annual Golf Tournament Title Sponsor: FM Global!

NOTE THE VENUE FOR THE OCRIMS OCTOBER MEETING

Looking ahead to the October Risk Managers Only meeting, the event will not take place at Orange Hill Restaurant in Orange, but instead the Center Club at 650 Town Center Drive (Garden Level) in Costa Mesa. The Center Club is a prestigious private club for Orange County’s social and corporate leaders, hosting a variety of events. The beautiful and inspiring atmosphere, filled with art and sculptures, reflects the unique personality of Orange County. See you at the Center Club in October! (The September meeting will be at Orange Hill Restaurant.)

AON CYBER PANEL

On Thursday, September 13th, Aon will present a panel discussion on cyber issues, and you are invited to attend! The panel will be moderated by Brent Rieth, Aon Cyber Solutions Group, and will include Wendy Wu, Aon Cyber Solutions Group; and Chris Kajfosz, FBI Cyber Division Special Agent. During the discussion, these cyber leaders will share their unique perspectives, approaches and insights on the evolution of cyber risk, cyber exposure trends and losses, as well as proactive measures you can take to optimize your firm’s cyber resiliency and posture. Seating is limited, so please sign up as soon as possible:

http://insight.aon.com/LP=15925?utm_source=eloqua&utm_medium=email_56005&utm_campaign=&elqTrackId=1402b2943620444bb7a4b336847a9291&elq=1c0cc7c635674702890bf98e37da61f&elqaid=56005&elqat=1&elqCampaignId=

For questions about this event, please contact Stefanie Stamires at stefanie.stamires@aon.com.

Agenda: 8:30 am – Registration/Breakfast 9:00 am – Panel Discussion and Q&A 10:30 am – Adjourn

Location: Aon Irvine, 17872 Gillette Ave., Conference Room, 1st floor, Irvine, CA 92614. Parking is available at 17875 Von Karman and 17877 Von Karman Ave. in Irvine.

OCRIMS COMMUNITY OUTREACH--

CALIFORNIA COASTAL CLEANUP ON SATURDAY, SEPTEMBER 15

OCRIMS is looking for volunteers to participate in California Coastal Cleanup Day on September 15th. This activity has grown in scope and magnitude over the years, and it is expected that more than 60,000 volunteers will lend a hand this year in picking up hundreds of thousands of pounds of trash and recyclables from beaches, lakes, and waterways.

First and most importantly, everyone can participate in Coastal Cleanup Day, no matter what age. The actual Cleanup effort starts at 9:00 a.m. Each Cleanup site will be headed up by one or more Site Captains who will be in charge. Once you arrive, seek out your Site Captain and follow his/her instructions.

All the supplies you need will be provided: trash and recycling bags, gloves, etc. Each volunteer will need to bring or sign a liability waiver before they can start the Cleanup. You can save yourself some check-in time if you bring a signed waiver downloaded from:

<https://www.coastal.ca.gov/publiced/ccd/waiver.pdf>.

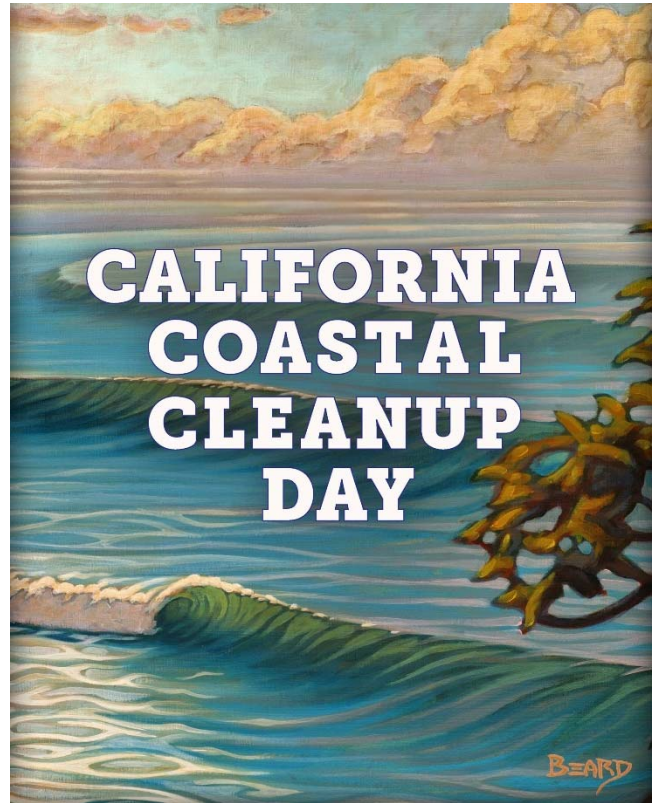

The OCRIMS volunteer group will help to clean up Crystal Cove Beach in Laguna Beach. Just another reminder that this event is open to all risk management professionals, vendor partners, their families and friends. We will also sign off on community service requirements for students. OCRIMS participated in California Coastal Cleanup a few years ago, and all of the volunteers enjoyed the experience!

What to Wear

- Closed-toed shoes
- Sunscreen
- A hat
- An extra layer, like a sweater or jacket in case it is chilly in the morning.

To register for the OCRIMS Coastal Cleanup Community Outreach event, use the following link:

<http://events.constantcontact.com/register/event?!lr=kbpblmeab&oeidk=a07eflv3dip2aa1ef78>

OCRIMS AUGUST LUNCH MEETING – RECAP

On August 14th, OCRIMS joined the Orange Empire CPCU Chapter for a panel presentation on cyber liability and insurance from our chapter’s Executive Sponsors – Willis (Gold), Marsh (Silver) and Aon (Silver). The title of the presentation was, *Cyber Risk & Insurance Update: Trends, Coverage and the California Consumer Privacy Act*.

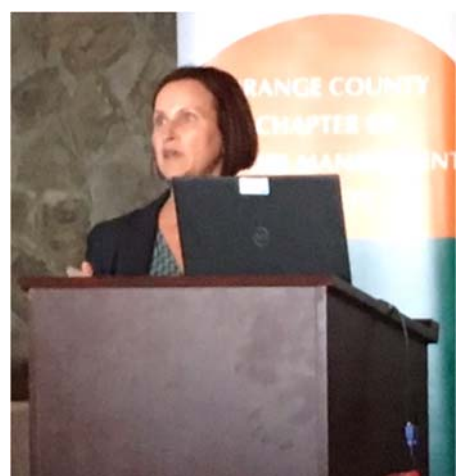

Heather Wilkinson, FINEX Regional Cyber/E&O Manager with Willis, opened up the meeting with an overview of trends in cyber insurance. Nina P. Prasad, Broker Cyber Solutions with Aon, then discussed the scope of coverage for network security and privacy liability. Paula Miller, Cyber E&O with Marsh, finished the presentation with an overview of the California Consumer Privacy Act and its impact.

Everyone in attendance enjoyed the presentation, and on behalf of both OCRIMS and Orange Empire CPCU, a big thanks to our speakers. Copies of the visuals used during the remarks about the California Privacy Act and network security and privacy liability can be accessed via the following links:

http://www.ocrims.org/Network_Security_and_Privacy_Liability.pdf

http://www.ocrims.org/California_Consumer_Privacy_Act.pdf

Finally, OCRIMS wishes to thank Go2Medical for donating a raffle prize for the meeting.

OCRIMS ANNUAL GOLF TOURNAMENT

On July 19th, OCRIMS hosted its 22nd Annual Golf Tournament. The event took place at Coyote Hills Golf Course in Fullerton. The theme was “Around the World in 18 Holes,” and included a “Pre-Flight” Workshop and a post-tournament awards banquet.

The event was made possible through the generosity of many sponsors, who are listed on the next page. From the morning workshop to the tournament to the after party, a great time was had by all! Photos on the following pages show smiling faces and engaged audiences. Look for a few more photos from the workshop, tournament, and banquet in the September issue of the OCRIMS newsletter.

EMPLOYMENT OPPORTUNITIES

OCRIMS is happy to list employment opportunities that are of interest to professionals involved in the field of risk management. To save space in the newsletter, we provide a summary description and contact information for each available position. If you want a full job description for any of the positions listed below, visit the OCRIMS website—www.ocrims.org—and click on the “Job Opportunities” page. Once you are on the “Job Opportunities” page, click the link for a full job description for the position(s) for which you are interested.

CLAIMS SUPERVISOR—Athens Administrators, which offers third-party claims administration services, has an immediate need for a full-time Claims Supervisor to support an office in Concord, Calif. The Claims Supervisor will supervise and monitor the accuracy, timeliness and quality of casework as assigned. In addition, the person who assumes this position will develop and maintain a positive and productive working relationship with clients. To apply for this position, contact Candice Qualls by email at cqualls@athensadmin.com.

SENIOR CLAIMS EXAMINER— Athens Administrators, which offers third-party claims administration services, has an immediate need for a full-time Senior Claims Examiner to support an office in Concord, Calif. The Senior Claims Examiner will adjust workers’ compensation claims from inception through settlement and closure, ensuring timely processing of claims and payment of benefits, managing and directing medical treatment, setting reserves, and negotiating settlements. To apply for this position, contact Candice Qualls by email at cqualls@athensadmin.com.

DIRECTOR, RISK SERVICES—The Coast Community College District is looking to hire a Director of Risk Services to plan, organize, manage, and coordinate an organization-wide risk management program governing legal, contract administration, health, safety, and loss prevention. Specific job duties will include developing business plans and programs that ensure and enforce compliance with laws, codes, policies, and procedures. The Director will be responsible for purchasing insurance coverage and negotiating the terms and cost of coverage. To apply for this position, use the following link: <https://www.governmentjobs.com/careers/cccd/jobs/2166492/director-risk-services>

DIRECTOR, RISK MANAGEMENT—The Irvine Company is looking to hire a Director of Risk Management to handle centralized companywide insurance programs, safety, and related risk management activities. Specific job duties will include coordinating insurance program costs (premiums, losses, and expenses), overseeing property claims management, and leading property loss control efforts with FM Global. To apply for this position, use the following link: https://careers.irvinecompany.com/job/Irvine-Dir_%2C-Risk-Management-CA-92618/496273000/?feedId=187000&utm_source=Indeed&utm_campaign=Irvine_Indeed

CLINICAL RISK MANAGER—UC Irvine Health is looking to hire a Clinical Risk Manager to play an integral role in the implementation of risk management and loss-prevention programs that identify, promote and sustain patient safety from a risk perspective. The person who assumes the position will conduct investigations of adverse patient events/outcomes, make recommendations for programmatic changes, and implement such changes. He/she will also provide consultation in the areas of patient safety and risk mitigation. To apply for this position, use the following link: <http://careers.ucirvinehealth.org/jobs/2734928-clinical-risk-manager-risk-management-f-slash-t-days>

EMPLOYMENT OPPORTUNITIES (cont.)

WORKERS' COMPENSATION PROGRAM MANAGER—The County of Orange is looking for someone with management experience in workers' compensation and strategic communication expertise to join the Risk Management team as Manager of the County's Workers' Compensation Program. The person who assumes this position will oversee TPA and managed-care vendor activities for compliance with contract provisions and performance. He/she will also make case management decisions on all County claims and recommend settlements to the Board of Supervisors. To apply for the position, use the following link:

<https://www.governmentjobs.com/careers/oc/jobs/1959780/workers-compensation-program-manager>

INSURANCE MANAGER—Chapman University is looking to hire an Insurance Manager to provide management of a portfolio of insurance policies, including the internal collection of data from individuals and departments throughout the University in connection with the completion of applications for the annual renewal of policies. Full responsibilities will include the validation of data, and coordination with the University insurance broker on all submissions. Lines of coverage include but are not limited to commercial property, general and professional liability, commercial auto, workers' compensation, international, cyber liability, environmental impairment liability, and miscellaneous. To apply for the position, use the following link:

<https://chapman.peopleadmin.com/postings/14342>

SENIOR RISK MANAGEMENT SPECIALIST—Mission Hospital, which provides a comprehensive range of patient care services, is looking to hire a Senior Risk Management Specialist to provide healthcare risk management services and perform and/or assist with the implementation of all aspects of Mission's risk management program. Qualified applicants will have three years of experience working in an acute healthcare setting or other medical/legal/risk-related areas. To apply for this position, use the following link:

<https://stjhs.referrals.selectminds.com/jobs/sr-risk-management-specialist-risk-management-full-time-days-8-hours-23877>

RISK MANAGER—Martin Luther King, Jr. Community Hospital in Los Angeles is looking to hire a Risk Manager to be responsible for designing, organizing, coordinating and implementing the Risk Management Program, with the objective of controlling and minimizing loss to protect the human, physical and fiscal assets of the organization. The person who assumes the position will be an active participant in performance-improvement-data collection, activities, and functions to promote an integrated program, which ensures the provision of the highest quality of healthcare. To apply for this position, use the following link:

https://wfa.kronostm.com/index.jsp?SRCSEQ=postingSearchResults&locale=en_US&applicationName=MartinLutherKingJrCommunityHospitalReqExt&SEQ=jobDetails&POSTING_ID=83938701458&source=ContactSources.IJB&SpecificSource=ContactSources.IJB.SpecificSources.Indeed

EXECUTIVE DIRECTOR, STRATEGIC ENTERPRISE RISK MANAGEMENT—Cal Poly Pomona is looking to hire a Strategic Enterprise Risk Manager to develop, evaluate and coordinate programs and services for the University in the areas of benefits, employee/labor relations, payroll services, workers' compensation, emergency management, business continuity, strategic enterprise risk management, environmental health and safety, and the University's insurance program. The Strategic Enterprise Risk Manager is responsible for the design and implementation of a sustainable and recurring process to identify, assess and manage risk to the University. To apply for this position, use the following link:

TOP 10 CAUSES OF WORKPLACE INJURIES

The U.S. workplace is getting safer, but the cost of the most serious workplace injuries is rising, according to the findings of the 2018 Workplace Safety Index.

The number of the most serious workplace injuries and illnesses fell by 1.5 percent, while their cost – medical and lost-wage payments – increased by 2.9 percent between the 2017 and 2018 reports. The rank order of the top ten causes remained the same.

The total cost of the most disabling work-related injuries, causing employees to miss six or more days of work, was \$58.5 billion, with the 10 leading causes accounting for \$51.4 billion of that total, according to the index. The top ten causes and their costs are shown in the graph.

Top 10 Causes and Direct Costs of the Most Disabling U.S. Workplace Injuries^{1,2}

1. The 2018 Liberty Mutual Workplace Safety Index is based on non-fatal 2015 injury data with more than 5 days away from work.
2. Due to a change in BLS coding, Index series 2013–2018 is not directly comparable to Index series 2000–2012.

The annual ranking helps employers, risk managers, and safety professionals improve workplace safety by highlighting its financial impact and focusing resources on the leading causes of serious work-related injuries and illnesses. While overexertion continues to be the leading cause of serious workplace injuries, Falls account for a growing proportion of losses.

To effectively improve safety, employers should understand the root causes of the most

serious workplace injuries they experience, and the ways to effectively mitigate these through training, equipment and work design. Third-party administrators, brokers, and agents can be a key resource to employers in these efforts.

Study Methodology:

The annual Workplace Safety Index is based on information from Liberty Mutual, the U.S. Bureau of Labor Statistics (BLS), and the National Academy of Social Insurance. Liberty Mutual and BLS injury data are analyzed to determine which events caused employees to miss six or more days of work. The Index then ranks those events by total workers compensation costs, which include medical and lost-wage payments.

To capture accurate injury cost data, each Index is based on data three years prior. Accordingly, the 2018 Index reflects 2015 data.

RIMS Mentor Match

Mentor Match is a new way for RIMS members to seek out, interact with, and learn from leaders in Risk Management and future leaders in the industry. This unique online networking and career development tool helps you find, connect and share experiences with others. You can search mentors and mentees by interest, career level, location, gender, ethnicity, and many other options. To apply for RIMS Mentor Match, just complete four easy steps:

START--Complete your Mentor Match [profile](#). Make sure your contact information is up to date, add a recent professional profile picture, expand on your bio and import your education and job history information from your Opis profile. Having a complete and accurate profile is crucial to the success of selection and matching.

ENROLL--Are you looking to be a mentor or mentee? Perhaps both? Make selections for each of the program demographics to set your preferences. Demographics include: topics, venue, specialties, career stage and start/end date. Please note that some fields are required for enrollment. The more information you provide, the easier it will be to make the best match. Keep in mind in order to request a mentor or mentee, you must be enrolled in the program.

SEARCH--Use the [Mentor Program Directory](#) to input your search criteria. Start by selecting the topic(s) of interest, which include: career level, ethnicity, industry sector, interest areas, location, mentoring communication preference, professional certifications/designations.

You can also take advantage of features to help you find and recruit matches:

- Track your mentoring relationships
- Participate in discussion forums on mentoring topics
- Search for helpful mentoring resources

CONNECT--Congratulations! You are now ready for the fun stuff. Let the mentoring begin. Do one search or multiple searches. If you're unsure of the search criteria, select "*Search for ALL of the selected values.*" The [Mentor Program Directory](#) will do the work for you and populate the results.

Next click on the member's name that you're interested in establishing a mentor/mentee connection with. The link will bring you to their profile page. Look around. If you think it's a desired match, look under their profile image for the Mentor Match badge, which when clicked will allow you to request a connection. If it's not a desired match, you can simply select the "back" button to return to your previous search results.

To participate in Mentor Match, use this link <https://community.rims.org/mentor>.

The 2018 RIMS Benchmark Survey is here!

The RIMS Benchmark Survey™ is an annual summary of the industry data received during the prior calendar year. The 2018 survey is based on 15,000 insurance programs from 590 entities—many of which are Fortune 500 companies. These insurance programs represent more than \$2.9 billion in premium. This survey is your window into the commercial insurance market. It offers risk managers, insurance brokers and underwriters the first and only real-time window into the commercial insurance market. **The survey captures information on the state of the insurance marketplace and provides the only independent fact-based review of the cost of risk to insurance purchasers—unbiased by brokers or insurers involved.**

Why do you want the 2018 RIMS Benchmark Survey?

Simple—the survey answers the questions you can’t ask anywhere else:

- How does the price I’m paying compare?
- Am I buying the right amount of insurance?
- What are others buying that I’m not?
- Who’s writing the most of a specific type of coverage?

Purchase your copy of the leading reference source for risk management professionals and get your questions answered. <https://www.rims.org/resources/BenchmarkSurvey/Pages/PurchasetheBook.aspx>

New White Paper -- Making a Safety Culture Truly Cultural

We hear the term *Safety Culture* thrown around a lot today. But does it mean anything? Are managers just giving it lip service? Do employees make it a part of their everyday work?

Safety professionals nationwide report that budgets, increasing work responsibilities and a relaxed regulatory environment are still reasons for concern. So, what’s wrong?

Through this white paper you’ll get an understanding of the current safety environment, where it needs to change and what steps are needed to achieve a real safety culture. **This free white paper *Making a Safety Culture Truly Cultural* covers:**

- The disconnect between safety concerns and behavior.
- How to change behavior to prevent workplace injuries.
- How to create good safety habits that become part of the organizational DNA.

Measuring Cyber Risk through a Cognitive Risk Framework

August 23 | 10:00 am – 11:00 am Pacific Time

The threat of cyber risk continues to grow in spite of billions invested in staff and technology in an endless cycle called the *Cybersecurity Paradox*. The “paradox” of expanding cyber risk is explained through the lens of human behavior and demonstrates how to reduce exposure to cyber risk using a cognitive risk framework aimed at the greatest vulnerability in information security...the human element. James Bone and Daniel Spragg will explain how organizations can enhance their cybersecurity programs using a systemic approach to measure, reduce, and manage cyber risks using new cognitive tools to build “Situational Awareness” to respond to the inherent threat in cyber risk.

James Bone is Lecturer in Discipline - ERM, Columbia University’s School of Professional Studies and Cognitive Risk Consultant with Global Compliance Associates. He is the author of *“Cognitive Hack: The New Battleground in Cybersecurity...the Human Mind.”*

Daniel Spragg is Managing Director and Founding Partner of A&M Insurance & Risk Advisory Services.

Here is the link to register for the webinar: <https://www.pathlms.com/rims/webinars/3914>

Upcoming Webinars

Lessons Learned from Recent Disasters and Catastrophes

August 30 | 10:00 am – 11:00 am Pacific Time

Ten Tips for Nailing Down Responsive Cyber Coverage

October 11 | 10:00 am – 11:00 am Pacific Time

RIMS webinars are FREE for members. Non-members may attend for only \$50. All webinars are also [available on-demand for one year](#) for registered participants.

Earn RIMS-CRMP credit. Each hour of a webinar is eligible for [one point towards RIMS-CRMP recertification](#).

RIMS ERM Conference 2018: Soundbite Sessions

The revamped RIMS ERM Conference program will include shorter “Soundbite Sessions”

These 20-minute presentations will offer an improved learning experience with more exposure to valuable [ERM educational content](#) and [experienced speakers](#). Plan to attend the conference on October 29–30 in Montréal, Québec and you'll head back to the office enlightened and ready to tackle your biggest challenges.

SOUNDBITE SESSIONS

- A Risk-Based Approach to Crisis Management
- Cryptocurrency: A Story of Disruptive Risk
- Excellence in Risk Management XV: Relevance in the Digital Age
- ERM and What's Trending: #blockchain #AI #bigdata #fraud #gigeconomy
- Integrating ERM and Sustainability

LITTLE LEAGUE® WORLD SERIES FACTS

The Little League® Baseball World Series has become almost as popular as the Major League Baseball World Series. This year, the event takes place from August 16-26. Here are some facts about Little League®.

- ✚ Little League® was founded in 1939 by Carl E. Stotz.
- ✚ The organization is headquartered in South Williamsport, Pennsylvania, on the 72-acre Little League International Complex, with five regional offices in the U.S. and four internationally.
- ✚ Approximately 2.4 million boys and girls play Little League, worldwide.
- ✚ Little League is played in more than 80 countries and in all 50 states.
- ✚ The first leagues outside the United States were formed in 1950 on either side of the Panama Canal, the Pacific and Atlantic Little Leagues of Balboa.
- ✚ The first Little League Baseball® World Series night game was Aug. 24, 1992.
- ✚ Little League organizes seven World Series. The oldest is the Little League Baseball World Series, held in Williamsport, which was first played in 1947. The newest is the Little League Intermediate (50/70) Baseball Division, held in Livermore, Calif., which was first played in 2013.
- ✚ Current Little League President and CEO Stephen D. Keener is the first leader of the organization to play Little League. He is also the father of two Little League graduates, and his father worked at Little League Baseball Camp.
- ✚ In 1953, Joey Jay became the first Little League graduate to play Major League Baseball.
- ✚ More than 50 confirmed Little League Baseball World Series graduates have gone on to play Major League Baseball. Boog Powell (1954 LLBWS) is the first to play in the MLB World Series in 1966.
- ✚ In 2015, Lloyd McClendon (1971 LLBWS) and Kevin Cash (1989 LLBWS) became the first two LLBWS graduates to manage against each other in an MLB game.
- ✚ In 1948, U.S. Rubber, the maker of Keds, became Little League's first national sponsor. That sponsorship led to the development of rubber-molded cleats, now used worldwide for many outdoor sports.
- ✚ Mo'ne Davis became the first female Little League Baseball World Series participant to win a game as a pitcher in 2014.
- ✚ In 2015, the Little League Baseball World Series Total Attendance record was broken with 469,964 fans.
- ✚ There are 56 members of the Little League Hall of Excellence.
- ✚ There are 23 confirmed members of the National Baseball Hall of Fame who have played Little League baseball.

For more information about Little League®, visit <https://www.littleleague.org/>

CONTACT PERSON FOR EMPLOYMENT OPPORTUNITIES

Arpi Rubenyan is the contact person for employment opportunities. If you have information or questions regarding employment opportunities, contact Arpi at (714)438-3277. With sufficient notice, OCRIMS will print relevant job openings in the monthly newsletters.

ARTICLES FOR THE NEWSLETTER

Share your creative solutions, ideas, etc. with the risk management community by contributing an article to the OCRIMS newsletter. Articles need to be submitted to Vaughn Shelton by the 10th of each month to be considered for publication. To submit an article, please email Vaughn at vaughnzx6r@gmail.com. Don't be shy; we'd love to hear from you!

**GET INVOLVED
WITH OCRIMS IN 2018!**

RIMS WESTERN REGIONAL CONF.

Navigating the Future

Location: Portland, Oregon

OCRIMS DATABASE MANAGEMENT SYSTEM

OCRIMS maintains its contact database through the RIMS Message Center. To stay abreast of the happenings in the OC, make sure that you are registered through the RIMS Message Center, that your RIMS profile is up to date, and that you have selected your desired preferences. You do not even need to be a member of RIMS to take advantage of this great tool.

Here's the link:

<http://www1.rims.org/eweb/DynamicPage.aspx?webcode=verify>. The Chapter affiliation is at the very bottom, so be sure to choose **OCRIMS**.

HOW TO CHANGE YOUR RIMS PROFILE—Log onto www.rims.org and scroll down at the Membership tab. In the category that says “My RIMS,” click on “My Contact Information.” On the information page, click “Edit.” At this point if you have not already logged into your RIMS account, it will ask you to login. Then update your information and click “Save.” It's that easy!

Remember that **OCRIMS** provides ideal opportunities for you to stay at the forefront of risk management, and networking is a key component, as is remaining informed on what's happening in our industry—the Message Center allows you to do that. If you have any difficulty with the RIMS Message Center, please contact dianarich@earthlink.net.
