Tips for taxi use

If paying by credit card, verify the taxi can accept this form of payment before entering the vehicle. Please note, many Atlanta taxi drivers are independent operators and do not have the ability to accept credit cards

It IS permissible to hail a cab from the curb/street.

Understanding Zone Fare vs Metered Fare- Atlanta is unique from most cities, in that the most heavily trafficked areas are set on flat rate zone fares. This is why many times you will not see the driver start the meter. However, when traveling to a point outside of the zone, the driver will start the meter at the point of exiting the zone boundary, and the fare will be a total of the zone fare plus the additional metered distance to the destination.

RENTAL CARS

Hartsfield-Jackson Atlanta International Airport

If you choose to rent a car in Atlanta, our rental car center makes it easy once you've arrived at Hartsfield-Jackson Atlanta International Airport. The ATL SkyTrain is an elevated train that connects the passenger terminal to the rental car center, and takes customers on a scenic, five-minute ride to the rental car center to sign rental agency contracts and pick up cars. The ATL SkyTrain operates six two-car trains, with each car accommodating up to 50 passengers and their baggage.

The rental car center is a 67.5-acre site across from the airport and houses all airport rental car companies and their associated operations, including customer service, administrative offices, car pickup and return, fueling and maintenance facilities.

UBER/LYFT

Uber and Lyft connect riders in Atlanta with drivers via their mobile apps, which you can download for free today.

For Atlanta Airport: all rideshare drivers will pick up passengers at the North and South economy lots, which are a short walk from baggage claim. Passengers will proceed through baggage claim toward the Georgia Lottery booth for access to the lower-level escalators. Once downstairs, follow the orange signs to the Economy lot and request a ride only after arrival at the pick-up location.
